Since our 2 seasons are short, we need to know your availability to work during the season(s).

Scheduling preference is given to those who are available the most days for consistency.

Please review the calendar and mark accordingly for the season(s) for which you are applying.

Note for Students: We have noted below days not in session for some of the area schools our HS employees commonly attend so if you are interested in working those days, please mark as well. Please check these dates with your school calendar to ensure accuracy.
